## Abstract

The topic of this research is the study of an assessment of the performance of the rural development societies at korallai pattu central divisional secretariat. In this research performance of RDS are discussed through six chapters based on collected data, statistical analysis, questionnaires and interview.

In the first chapter the introduction of the research is provided. In this chapter problem, objectives of this research, methodology, limitation, assumptions and conceptualization are provided. In the second chapter information relating to the concept have presented. Which includes rural institutions, obstacles of the rural development, and strategy for rural development. The third chapter says how this research going to do. That is sample criteria, sample section, and measure for all variables, data collection methods, data analysis and evaluation are presented. The fourth chapter shows the data presentation. In this chapter collected information are presented through table and pie chart on behalf of families and RDS members and also presented statistical data presentation and analysis.

In the chapter five data evaluation and discussion are presented. Here personal information and research information are discussed with statistical proves. In the final chapter six says about the conclusion and recommendation to conclude this research. Finally this book has attached questionnaires.

| 3.2 Methodology   | 26          |
| 3.2.1 Data collection   | 27          |
| 3.2.2. Questionnaire  | 28          |

|  |    |
|--|----|
| 3.2.3 Structure of the questionnaire                 | 28 |
| 3.2.4 Data presentation                              | 29 |
| 3.2.5 Data analysis                                  | 29 |
| 3.2.6 Measures                                       | 29 |
| 3.3 General information                              | 29 |
| 3.4 Research information                             | 30 |
| 3.4.1 Religious – culture activities                 | 30 |
| 3.4.2 Health activity                                | 30 |
| 3.4.3 rural development and agriculture              | 31 |
| 3.4.4 Self-employment and cottage industry           | 32 |
| 3.4.5 Pre- school system                             | 32 |
| 3.4.6 rural women                                    | 33 |
| 3.4.7 Sport entertainment                            | 34 |
| 3.5 Method of evaluation                             | 34 |
| 3.5.1 Overall evaluation for individual variable     | 35 |
| 3.5.2 Aggregate score of the sample for the variance | 38 |
| 3.5.3 Overall variable evaluation                    | 42 |

## *Chapter- 04 Data presentation*

|   |    |
|---|----|
| 4.0 Introduction                                  | 43 |
| 4.1 General information                           | 43 |
| 4.1.1 Educational qualification s                 | 43 |
| 4.1.2 Working experience                          | 44 |
| 4.1.3 Subscription fees                           | 45 |
| 4.1.4 Permanent building                          | 46 |
| 4.1.5 Approved general meeting                    | 46 |
| 4.2 Research information                          | 47 |
| 4.2.1 Religious culture activity                  | 47 |
| 4.2.2 Health activity                             | 48 |
| 4.2.3 rural development and agriculture           | 49 |
| 4.2.4 Self-employment and cottage industry        | 50 |
| 4.2.5 Pre-school system                           | 51 |
| 4.2.6 rural women                                 | 52 |
| 4.2.7 Sports entertainment                        | 53 |
| 4.3 Overall analysis                              | 54 |
| 4.3.1 Extent of individual contribution $X_i < 3$ | 55 |
| 4.3.2 Extent of individual contribution $X_i = 3$ | 56 |
| 4.3.3 Extent of individual contribution $X_i > 3$ | 57 |
| 4.4. Summary                                      | 58 |

## *Chapter -05 Data analysis and Evaluation*

|   |    |
|---|----|
| 5.0 Introduction  | 59 |
| 5.1 General information                                 | 59 |
| 5.2 Research information                                | 60 |
| 5.2.1 Religious cultural activity                       | 60 |
| 5.2.2 Health activity                                   | 61 |
| 5.2.3 rural development and agriculture                 | 62 |
| 5.2.4 Self-employment and cottage industry              | 63 |
| 5.2.5 Pre-school system                                 | 64 |
| 5.2.6 rural women                                       | 64 |
| 5.2.7 Sports entertainments                             | 65 |
| 5.2.8 Overall and aggregate mean and standard deviation | 66 |

## *Chapter -06 Conclusion and recommendation*

|                                  |    |
|----------------------------------|----|
| 6.1 Conclusion                   | 67 |
| 6.2 Recommendation               | 70 |
| 6.3 Implication of this research | 75 |
