A Study on the Standard of Living of Fishing field Community with the Special Concern in the Kadukkamunai G.N Division.

Abstract

Fishery is one of the major contributing sectors in the economy of Sri Lanka, which play crucial roles for standard of living of the people who are living in the coastal zones in Sri Lanka. The improvement in the standard of living is basis and important one to become developed country. The standard of living is a major concern to the whole world to establish effective economic, social and cultural status for the improvement of living standard of the people concerned. The people's alliance identified the fisheries sector as an important sector in the economy of Sri Lanka. The living standard of the people in Sri Lanka is better than that of other developing countries. Even though, the North-East provinces is still in Sri Lanka are in a backward position.

For this purpose of finding out the Standard of Living of Fishing field Community, the researcher considered three variables as conceptualization. Those are socio - economic factors and relevant indicators were used to measure the level of Standard of Living of Fishing field Community. The information for knowing the Standard of Living of Fishing field Community has been collected the structured questionnaire issued to 100 fishermen of selected in Kadukkamunai G.N Division. Data analysis was done through univariate analysis for this study.

The findings of the study show that, Kadukkamunai G.N division from the perspective of fisheries. Therefore, according to these findings, fishing community has low level of standard of living. It is recommended, that in order to uplift the standard of living of fishing community, government, non government organizations their activities should be mainly focus on fishing community.

TABLE OF CONTENTS

Acknowledgement	i
Abstract	ii
Chapter- 01 Introduction	1-5
1.1 Background of the Study	1
1.2 Problem statement	2
1.3 Research Questions	2
1.4 Research Objective	3
1.5 Scope of the study	4
1.6 Significance of the Study	4
1.7 The Organization of the Chapter	5
1.8 Summary	5
Chapter-02 Literature Review	6-22
2.1 Introduction	6
2.2 The Importance of in fishing industry in Sri Lanka	6
2.2.1 Socio Economic Importance of the Fisheries sector	6
2.2.1.1 Source food	6
2.2.1.2 Source of Livelihood	7
2.2.2 Management Applied to Main Fisheries	7
2.2.3 Sustainability of Fisheries Resources	8
2.2.4 Fishery Sector Development	9
2.2.5 Development Prospects and strategies	9
2.3 Economic Potentially Of Fishing Industry in Sri Lanka	10
2.3.1 Fishery Sector Performance	10
2.3.2 Present Production Levels	11
2.3.3 Future Prospects	12
2.4 The concepts of Standard Living	13
2.5 Determinant Factors of standard of Living	15
2.5.1 Shelter	15
2.5.2 Education Access	15
2.5.3 Nutrition	15
2.5.4 Health services	16

2.5.5	Income	17
2.5.6	Investment	18
2.5.7	Organizational Aids	19
2.5.8	Home Appliance	19
2.6	Previous Studies Relating to the Fisheries Standard of Living	20
2.7	Empirical Studies Relating to the Standard of living	21
2.8	Summary	22

Chapter-03 Conceptualization and Operationalization 23-28

3.1	Introduction	23
3.2	Conceptualization	23
3.2.1	Conceptual Framework	23
3.3	Income	24
3.4	Education	24
3.5	Nutrition	25
3.6	Organizational aids	25
3.7	Health Services	25
3.8	Savings and Investment	26
3.9	Shelter	26
3.10	Home Appliances	26
3.11	Operationalization	27
3.12	Summary	28

Chapter-04 Research Methodology 29-28

4.1	Introduction	29
4.2	Purpose of the study	29
4.3	Type of Investigation	29
4.4	Extent of Researcher Interferences	29
4.5	Study Setting	30
4.6	Unit of Analysis	30
4.7	Time Horizon	30
4.8	Sample size, Sampling Distribution and Sampling Method	30
4.9	Data Collection Method	30
4.10	Methods of Data presentation and analysis	31
4.11	Methods of Data Evaluation	31

7.2.1	Income	47
7.2.2	Education	48
7.2.3	Nutrition	48
7.2.4	Organizational Aids	48
7.2.5	Health Services	49
7.2.6	Investment and Savings	49
7.2.7	Shelter	50
7.2.8	Home appliances	50
7.3	Overall Conclusion for This Study	50
7.4	Limitation	50
7.5	Implication for Future Research	51
7.6	Chapter Summary	51
